Re: Clemente v. New York State Division of Parole  
07 Civ. 4008 (RJH)(DFE)

Dear Judge Eaton:

On behalf of the defendant, this letter is written to notify the Court that I have been reassigned this matter, and to request a 60 day extension of the discovery schedule. Plaintiff consents to the request for a discovery extension. This request is made because I was out on family leave and unable to work on this matter until recently, and thus would request time to become familiar with this matter and to evaluate with my client how we intend to proceed. It is my understanding that the Court has granted two previous extensions of the discovery schedule in this matter.

Accordingly, we respectfully request an extension of the discovery schedule as follows:

1. All fact discovery in this matter must be commenced in time to be completed by September 30, 2008.
2. Plaintiff's expert reports due by October 30, 2008.
3. Defendant's expert reports due by November 30, 2008.
4. Any dispositive motions to be served and filed by January 7, 2009.
5. If no dispositive motion has been filed, then the joint pre-trial order must be filed by January 30, 2009.

7/28/08 - I grant this request. No further extensions.  
Douglas F. Eaton
